IMPLEMENTING RULES AND REGULATIONS (IRR) OF REPUBLIC ACT NO. 11230 "TULONG TRABAHO ACT"

Pursuant to Section 19 of Republic Act No. 11230 entitled *"An Act Instituting a Philippine Labor Force Competencies Competitiveness Program and Free Access to Technical-Vocational Education and Training (TVET) and Appropriating Funds Therefor"* or the *"Tulong-Trabaho Act"* that was signed by the President on February 22, 2019, the Technical Education and Skills Development Authority (TESDA) hereby issues these Implementing Rules and Regulations to implement the provisions of this Act.

RULE I
GENERAL PROVISIONS

SECTION 1. ***Title.–*** These rules and regulations shall be referred to as the Implementing Rules and Regulations (IRR) of RA 11230 or the *"Tulong-Trabaho Act"*.

SEC. 2. ***Declaration of Policy.*** **–** The Philippine Constitution provides that the State shall promote a just and dynamic social order that will ensure the prosperity and independence of the nation, and free the people from poverty through policies that provide adequate social services, promote full employment, a rising standard of living, and an improved quality of life for all. For this purpose, the Constitution encourages nonformal, informal and indigenous learning systems, as well as self-learning, independent, and out-of-school study programs, particularly those that respond to community needs.

SEC. 3. ***Objectives.*** **–** Pursuant to Sec. 4 of the Act, this IRR has the following objectives:

a) To strengthen the qualifications of the Filipino workforce to meet the challenges of the rapidly evolving workplaces and work structures;
b) To provide for more innovative approaches to Technical Vocational Education and Training (TVET) linked to the requirement of industry to primarily address unemployment and job-skill mismatch;
c) To facilitate access to quality TVET; and
d) To encourage the participation of industry and communities in competencies formation and upgrading towards a more competitive Filipino workforce.

SEC. 4. ***Definition of Terms.*** – As used in this IRR:

a) ***Act*** refers to R.A. 11230 or the *"Tulong-Trabaho Act"*;
b) ***Center-based programs*** refer to training provisions being undertaken in the TESDA Regional and Provincial Training Centers, local government unit (LGU)-run and private Training Centers and NGO-run training centers in the different regions and provinces in the country;
c) ***Community-based programs*** refer to TVET programs conducted by Non-Government Organizations (NGOs), Local Government Units (LGUs), training centers and other TVET providers which are intended to address

the specific needs of a community, which may be delivered in an informal and formal setting in the community. This includes the Mobile Training and extension programs of public and private technical vocational institutions (TVIs). These are programs implemented with TESDA assistance.

d) ***Competencies*** refer to the standard knowledge, skills, attitudes, and values required to complete work activities in a particular job, trade, or occupation;

e) ***Competency-based learning system*** refers to a system by which the learner is trained on the basis of demonstrated ability;

f) ***Direct training expenses*** refer to items of cost that are specifically traced to, or caused by the training, and include consumables used in the course of the program, training supplies, materials, utilities, venue and equipment, trainers' fees, and other related expenditures;

g) ***Enterprise-based programs*** refer to training programs being implemented in companies or firms. These include TVET programs delivered in the enterprise which maybe in-plant or stand alone, or maybe linked with a training provider. These programs are offered to industry group or to enterprises, employees and individuals.

h) ***Formal Education*** refers to the systematic and deliberate process of hierarchically structured and sequential learning corresponding to the general concept of elementary and secondary level of schooling. At the end of each level, the learner needs a certification in order to enter or advance to the next level;

i) ***Industry board or body*** refers to industry organizations or industry associations recognized by the Technical Education and Skills Development Authority (TESDA) according to set guidelines, and those that are duly authorized to receive funding in accordance with this Act;

j) ***Informal Education*** refers to a lifelong process of learning by which every person acquires and accumulates knowledge, skills, attitudes and insights from daily experiences at home, at work, at play, and from life itself;

a) ***Labor Market Intelligence Reports*** refer to latest reports and researches provided by the TESDA and the Department of Labor and Employment (DOLE) which pertain to crucial skills that are in demand in today's competitive labor market. This shall also refer to labor market information reports issued by the DOLE, TESDA and other relevant organizations on the functioning of the labor market, the available labor resources, employment opportunities and other information such as wage rates, qualifications, employment conditions, etc.;

b) ***Non-formal Education*** refers to any organized, systematic educational activity carried outside the framework of the formal system to provide selected types of learning to a segment of the population. Those who had undergone non-formal education can be subjected to assessment and certification to a certain qualification;

c) ***Philippine TVET Competency Assessment and Certification System*** (PTCACS) refers to a quality-assured system in recognition of the attainment of competencies (knowledge, skills, attitudes and values) as referred to the competency standards set for middle-level occupation. It is the process of determining the qualification level of a person and a tool in identifying the training needs of a person with competency gaps;

d) ***Program*** refers to the Philippine Labor Force Competencies Competitiveness Program established in accordance with the Act;
e) ***School-based programs*** refer to the direct delivery or provision of TVET programs by the TESDA-administered schools, state universities and colleges (SUCs), local universities and colleges (LUCs) and private higher education institutions (HEIs) and technical vocational institutions (TVIs);
f) ***Selected Training Programs (STPs)*** approved by the TESDA Board based on the recommendations of pertinent industries refer to school-based, center-based, community-based, enterprise-based and web-based technical-vocational education and training programs;
g) ***Technical Vocational Education and Training (TVET)*** refers to the education or training process involving general education, the study of technologies and related sciences, acquisition of practical skills relating to occupations in various sectors of economic and social life, and comprises formal (organized programs as part of the school system) and nonformal (organized classes outside the school system) approaches;
h) ***TESDA Secretariat*** is the implementing arm of TESDA as the TVET authority in the Philippines. It consists of the Offices of the Director General, Deputy Directors General, Executive/ Service Offices, Regional/ Provincial Offices and TESDA Technology Institutions.
i) ***Web-based programs*** refer to training programs that uses Internet web technologies to facilitate learning that result to the award of a qualification.

SEC. 5. ***Philippine Labor Force Competencies Competitiveness Program.*** – The Philippine Labor Force Competencies Competitiveness Program is hereby established in accordance with Section 17 of the Act, and which shall be funded through the *"Tulong-Trabaho"* Fund created in accordance with Section 6 of the Act.

RULE II
THE TULONG TRABAHO FUND
