| <p>In the interest of service and in line with the implementation of TESDA Circular No. 62 series of 2020 on Guidelines in Implementing Flexible Learning in TVET, the following clarificatory guidelines in the issuance of Certificate of Recognition for MTPs are hereby issued:</p> <ol style="list-style-type: none">1. The Mobile Training Program (MTP) is one of the various modalities for training delivery. Per TESDA Circular No. 73 series of 2018 on the Revised Implementing Guidelines in the Registration and Implementation of Mobile Training Programs (MTPs), MTP refers to a registered program that is transportable. This means that all the necessary tools, equipment, consumables including the qualified trainer are brought to the training venue.2. Item No. 1 under Section II-General Policies of TESDA Circular No. 73 series of 2018, requires that a TVI applying for MTP should have a registered institution-based program.3. The Flexible Learning Delivery Modes are other modalities for training delivery. TESDA Circular No. 62 series of 2020 on Guidelines in Implementing Flexible Learning in TVET enumerates the different Flexible Learning Delivery Modes that include: Face-to-Face Learning; Online Learning; Blended Learning; Distance Learning; or combination of Distance Learning and Face-to-Face Learning.4. Section VII-General Guidelines of said Circular provides that all TVIs may adopt any of the flexible learning delivery modes for their registered TVET program and are not required to re-register the program. A Certificate of Recognition (CoR) is issued to the TVI which has complied with all the requirements for flexible learning mode and has the capacity to deliver the registered program through the preferred flexible learning mode.5. Inasmuch as the MTP was registered based on the TTI's/TVI's institution-based program, then only the institution-based program can be issued CoR for any of the flexible learning delivery modes.6. All CoR for Flexible Learning Delivery modes issued to MTPs prior to these guidelines shall be revoked. The CoR issued to the corresponding institution-based programs as stated in no. 5 of these guidelines shall apply. No further issuance of CoR for MTPs shall be granted.7. The Regional Directors are held responsible for the proper implementation of all Guidelines. <p>This Circular shall take effect as indicated.</p> <div style="text-align: right;"> SEC. ISIDRO S.
