TESDA CIRCULAR

Subject: Implementing Guidelines on the Deployment of Amended Training Regulations (TR) and Conduct of Competency Assessment and Certification for Electrical Installation and Maintenance NC III		Page 1 of 3 pages Number 51 , series of 2016
Date Issued: October 3, 2016	**Effectivity:** October 3, 2016	**Supersedes:**

In the interest of the service and to provide quality and uniform program delivery, as well as ensure efficiency and effectiveness in the deployment of the amended **Training Regulations on Electrical Installation and Maintenance NC III** and **implementation of the revised competency assessment and certification**, the following Implementing Guidelines are hereby issued:

I. BACKGROUND/LEGAL BASIS

TESDA Board Resolution No. 2015-17 dated December 16, 2015: Approving the Amendments for the Training Regulations for Electrical Installation and Maintenance NC III.

II. OBJECTIVES

- To enhance the Training Regulations to better respond to the demands of the industry by providing competencies that are readily employable, environment-friendly and compliant with the industry requirements.
- To strengthen the industry-academe linkages to address the "skill-job mismatch" in critical sectors.
- To develop the training and assessment and certification infrastructure for the development of industry workers in the sector.
- To ensure the utilization of the newly amended Training Regulations

III. COVERAGE

Existing WTR registered programs and assessment and certification related to the Electrical Installation and Maintenance NC III as well as applicants for program registration of this said Training Regulations shall be covered by this Circular.

IV. GENERAL POLICIES

The existing promulgated TR for Electrical Installation and Maintenance NC III promulgated last September 19, 2008 **is deemed superseded** by this newly amended TR approved and promulgated thru TESDA Board Resolution No. 2015-17 dated December 16, 2015. Implementation shall be guided by the following general policies:

A. PROGRAM REGISTRATION

1. To ensure the utilization of this TR, all Regional/Provincial Directors shall immediately advocate/encourage and facilitate the registration and re-registration of programs of the amended TR.

2. All registered programs related to Electrical Installation and Maintenance NC III shall be subjected to migration **within a period of one (1) year upon the effectivity of this Circular**. Programs which are not migrated within the prescribed period shall be subjected to closure proceedings in accordance with the UTPRAS guidelines (TESDA Circular No. 07, series of 2016).

3. All Regional/Provincial Directors are hereby instructed to process applications for program registration within the allowable process cycle time (PCT) indicated in the Revised Process Cycle Time for Program Registration (TESDA Circular No. 35 series of 2016).

B. ASSESSMENT AND CERTIFICATION

1. The assessment and certification of Electrical Installation and Maintenance NC III shall follow the Quality Procedures Manual on Competency Assessment and Certification and the provisions of Section 4 – Assessment and Certification Arrangements of the said TR.

2. A National Certificate (NC) is issued when a candidate has demonstrated competence in all the units of competency that comprise the Training Regulations for Electrical Installation and Maintenance NC III. Clustering of competencies is not applicable in this qualification.

3. Existing National Certificate (NCs) in Electrical Installation and Maintenance NC III, shall be subjected to automatic conversion, provided the holder shows proof of current practice or employment in the qualification.

4. Holders of Certificate of Competency (COC) in Electrical Installation and Maintenance NC III are advised to take the assessment for this amended TR upon expiration of their COCs.

C. CONDUCT OF COMPETENCY ASSESSMENT

1. Qualification of Competency Assessors

1.1 For Trainer-Assessor

- Holder of National TVET Trainer Certificate Level I (NTTC I) on Electrical Installation and Maintenance NC III or higher

- With at least two (2) years relevant industry experience and/or teaching experience

1.2 For Industry Assessor

- Holder of National Certificate in Electrical Installation and Maintenance NC III or higher
- Holder of Certificate of Competency (COC) in Conduct Competency Assessment under the Trainers Methodology Level I (TM I)
- Must have at least two (2) years relevant industry experience
