TESDA CIRCULAR

Subject: Implementing Guidelines on the Deployment of Amended Training Regulations (TRs), and Conduct of Competency Assessment and Certification for Mechatronics Servicing NC III		Page 1 of 4 pages Number 48, series of 2016
Date Issued: October 3, 2016	**Effectivity:** October 3, 2016	**Supersedes:**

In the interest of the service and to provide quality and uniform program delivery, as well as to ensure efficiency and effectiveness in the deployment of the amended **Training Regulations on Mechatronics Servicing NC III** and **implementation of competency assessment and certification**, the following Implementing Guidelines are hereby issued:

I. BACKGROUND/LEGAL BASIS

TESDA Board Resolution No. 2015-09 dated June 16, 2015: Approving the Amendments for the existing Training Regulations for Mechatronics Servicing NC III.

II. OBJECTIVES

- To enhance the Training Regulations to better respond to the industry demands for competencies that are readily employable, environment-friendly and compliant with the industry requirements.
- To strengthen the industry-academe linkages to address the "skill-job mismatch" in the sector.
- To develop the training and assessment and certification infrastructure for the development of industry workers in the sector.
- To ensure the utilization of the newly promulgated Training Regulations.

III. COVERAGE

Existing WTR-registered programs and assessment and certification related to the Mechatronics Servicing NC III as well as applicants for program registration of this said Training Regulations (TRs) shall be covered by this Circular.

IV. GENERAL POLICIES

The existing promulgated TR for Mechatronics Servicing NC III promulgated last December 14, 2006 **is deemed superseded** by this newly amended TR approved and promulgated thru TESDA Board Resolution No. 2015-09 dated June 16, 2015. Implementation shall be guided by the following general policies:

A. PROGRAM REGISTRATION

1. To ensure the utilization of this TR, all Regional/Provincial Directors shall immediately advocate/encourage and facilitate the registration and re-registration of programs of the amended TR.

2. All registered programs related to Mechatronics Servicing NC III shall be subjected to migration **within a period of one (1) year upon the effectivity of this Circular.** Programs which are not migrated within the prescribed period shall be subjected to closure proceedings in accordance with the UTPRAS guidelines (TESDA Circular No. 07, series of 2016).

3. All Regional/Provincial Directors are hereby instructed to process applications for program registration within allowable process cycle time (PCT) indicated in the Revised Process Cycle Time for Program Registration (TESDA Circular No. 35 series of 2016).

B. ASSESSMENT AND CERTIFICATION

1. The assessment and certification of Mechatronics Servicing NC III shall follow the Quality Procedures Manual on Competency Assessment and Certification and in the provisions on Section 4 – Assessment and Certification Arrangements of said TR.

2. A National Certificate (NC) is issued when a candidate has demonstrated competence in all the units of competency that comprise the Training Regulations for Mechatronics Servicing NC III.

3. A Certificate of Competency (COC) is issued when a candidate demonstrated competence in each core units of competency that comprise the Training Regulations for Mechatronics Servicing NC III.

4. Existing NCs or COCs in Mechatronics Servicing NC III shall be in effect until such time the NCs or COCs have expired.

5. Holders of NCs or COCs under Mechatronics Servicing NC III may renew or revalidate their NCs or COCs provided they present evidence of related work experience for the past three (3) years

6. Holders of NCs are required to undergo assessment in Develop Motion Control and System Configuration (COC 2) to renew their certificates.

C. CONDUCT OF COMPETENCY ASSESSMENT

1. Qualification of Competency Assessor

1.1 For Trainer-Assessor

- Holder of National TVET Trainer Certificate Level I (NTTC I) on Mechatronics Servicing NC III or higher
- With at least two (2) years relevant industry experience

1.2 **For Industry Assessor**

- Holder of National Certificate in Mechatronics Servicing NC III or higher
- Holder of Certificate of Competency (COC) in Conduct Competency Assessment under the Trainers Methodology Level I (TM I)
- Must have at least two (2) years relevant industry experience

2. **Competency Assessment Tools (CATs)**

With the amended TRs, a new CAT shall likewise be deployed. Aside from the method, design and time allocation for the assessment activity, The CATs include the size of assessment facility, tools and equipment and supplies and materials.

3. **Assessment Fee**

The assessment fees for Mechatronics Servicing NC III shall be based on the promulgated TESDA Board Resolution No. 2016-16, issued on September 21, 2016. The respective fees are inclusive of the assessor's fee in the amount of **Php 200.00**

- Mechatronics Servicing NC III (Full) – **Php 800.00**
- Mechatronics Servicing NC III (COC 1) – **Php 700.00**
- Mechatronics Servicing NC III (COC 2) – **Php 685.00**
- Mechatronics Servicing NC III (COC 3) – **Php 640.00**

4. **Mandatory Assessment**

4.1 All TVIs with UTPRAS registered programs on Mechatronics Servicing NC III must ensure mandatory assessment of their graduating students.

4.2 The list of certified individuals will be uploaded in the online Registry of Certified Workers (RWACs).

5. **Integrity Fortification**

For integrity fortification, implementation of assessment and certification shall strictly adhere to the Guidelines on Assessment and Certification under the Philippine TVET Competency Assessment and Certification System (PTCACS)and Quality Procedures Manual on Assessment and Certification.
