Subject: 2017 Guidelines for the Implementation of Private Education Student Financial Assistance (PESFA)		Page <u>1</u> of <u>6</u> pages Number <u>27</u> , Series of 2017
Date Issued: May 15, 2017	Effectivity: As indicated	Supersedes: TESDA Circular No. 23, Series of 2016

In the interest of the service and in line with the **TESDA Reform and Development Agenda**, these guidelines shall be observed in awarding the scholarship grants under the Private Education Student Financial Assistance (PESFA).

These guidelines shall cover the implementation of the PhP200 Million Private Education Student Financial Assistance (PESFA) under the 2017 General Appropriations Act (GAA).

The PESFA Program has been established through Section 8 of Republic Act No. 8545, otherwise known as the Expanded Government Assistance to Students and Teachers in Private Education (GASTPE) Act. The program aims to extend financial assistance to marginalized but deserving students in technical-vocational education and training (TVET) courses and to assist private institutions in their development efforts by assuring a steady supply of enrollees to their course offerings.

For 2017, PESFA shall be implemented in two (2) modalities and shall be governed by these guidelines. One modality is the implementation of bundled qualifications specifically to support the **Manufacturing Resurgence Program (MRP)** objectives and to support rapid, inclusive and sustained economic growth through course offerings in priority industries and key employment generator.

The objective of the MRP is to rebuild the existing capacity of industries, strengthen new ones and maintain the competitiveness of industries with comparative advantage. The availability of competent and productive labor, trained to industry standards, supports the competitiveness of Philippine manufacturing industry.

The second modality is the regular PESFA implementation of single or one (1) qualification basis.

The payment to the TVET provider located in another region shall remain to be the responsibility of the region where the PESFA funds are allocated.
