Date Issued: August 7, 2017	Effectivity: Immediately	Supersedes:

In the interest of the service and to provide coherence and uniformity as well as ensure efficiency and effectiveness in the deployment of the developed **Training Regulations on Agricultural Machinery Operation NC II** and implementation of competency assessment and certification, the following Implementing Guidelines are hereby issued:

I. BACKGROUND/LEGAL BASIS

- TESDA Board Resolution No. **2016-05** dated **30 March 2016**: "Approving and Promulgating the Training Regulations for Agricultural Machinery Operation NC II."
- The abovementioned Training Regulations (TRs) was developed in partnership with the Agricultural Machinery Manufacturers and Distributors Association, Inc. (AMMDA) and Agriculture and Fishery Mechanization Committee (AFMeC) of the Department of Agriculture (DA).
- The deployment of this TR is in accordance with the Quality Procedures under ISO 9001:2015.

II. OBJECTIVES

- To implement the Training Regulations (TRs), aimed at better responding to demands of the industry. This will promote competencies that are readily employable, environment-friendly and compliant with the industry requirements for both clients and the agriculture industry workers;
- To strengthen the industry-academe linkages addressing the "skill-job mismatch" in critical sector; and
- To build the training and assessment infrastructure for the development of industry workers in the sector.

III. COVERAGE

Both new and existing (NTR) or LGU/industry/other government programs relating to or leading to Agricultural Machinery Operation NC II shall be covered by this Circular.
